SUBMISSION OF PROOF OF PUBLICATIONS

NOW BEFORE the Louisiana Public Service Commission (hereinafter referred to as the “Commission” or “LPSC”), through undersigned counsel, comes South Louisiana Electric Cooperative Association (hereinafter referred to as “SLECA” or “Cooperative”), who avers as follows:

1.

SLECA, a Louisiana nonprofit cooperative corporation organized under La. R.S. 12:401 *et seq.*, provides electric service in the following parishes in Louisiana: Assumption, Lafourche, St. Martin, St. Mary, and Terrebonne.

Pursuant to the provisions of the Louisiana Constitution, Article IV, Section 21, when a public utility files a proposed rate schedule which could result in a change in rates, it is required to give notice of such application by publication in the official state journal and in the official journal of each parish within the geographic area in which the schedule would become applicable and effective.

3.

Accordingly, after the filing of the Annual Report, SLECA caused to be published in the official journals of each of the parishes described above and in the official state journal the notice of filing of the Annual Report.
