LPSC Docket No. S-37214***

Dear Ms. Bordelon:

Please be advised of my representation of L&R Utilities, Inc. (“L&R” or the “Company”).

On June 26, 2024 the the Louisiana Public Service Commission (“LPSC”) issued a letter of non-opposition to L&R authorizing a decrease in its flow-through charge. The letter of non-opposition requires L&R to file an updated tariff with the LPSC. Please file the attached updated tariff into the record of the above captioned proceeding.

Should you have any questions, comments or other concerns regarding this matter, please do not hesitate to contact either of the undersigned attorneys at (225) 938-0335.
