RE: Docket No. T-37404 – Grammer Logistics, Inc. dba Grammer Logistics, ex parte.

Ms. Abel,

Grammer Logistics, Inc. would like to respectfully withdraw our waste application in T-37404. We were tentatively considering hauling one lane for a customer that was going to require this license and with the legal requirements, we feel as if we need to consult with our own legal counsel before further consideration of this application.

Thank you for your time and attention in this matter.

Respectfully,

Brett Veness
