RE: HYPERLINK INFRASTRUCTURE, LLC  
Application for Authority to Operate as a  
Facilities-Based Local Exchange and Competitive Access Carrier

Dear Secretary Frey:

Enclosed please find for filing an original and four (4) copies of the Application for Authority to Operate as a Facilities-based Local Exchange Carrier and Competitive Access Carrier on behalf of Hyperlink Infrastructure, LLC. Also enclosed is the requisite \$250.00 filing fee.

A Telecommunications Bond issued by SureTec Insurance Company in the amount of \$50,000 is also enclosed for filing.

The Applicant respectfully requests confidential treatment of Exhibit C - Confidential in the attached application. The Exhibit is marked "Confidential/Trade Secret" and has been placed in sealed envelopes to the various Divisions under separate cover. A public version is enclosed in the original application.

An additional copy of this letter has been enclosed to be date stamped and returned in the envelope provided as evidence of the filing.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

  
Leon Nowalsky

201 Rue Beauregard, Suite 202  
Lafayette, LA 70508

7. **Documentation demonstrating managerial, financial and technical abilities:**

Please find attached as **Attachment C** the company's redacted confidential financials. The confidential financials are submitted under separate cover along with a Motion for Confidentiality. Also please find attached as **Attachment D** the profiles of the company's management team. The company's management team and officers have extensive technical experience in the telecommunications industry. Please find the officer(s) technical abilities in the profiles attached as **Attachment D**.

- 8. A description of the service proposed to be offered, the proposed exact geographic areas in which the services shall be offered and a map thereof.**

The company proposes to offer fiber optic transport and backhaul services via its owned network. Applicant may also utilize services provided by other certificated carriers. Applicant proposes to offer services in the geographic areas described in the maps and narrative attached as **Attachment E**.

- 9. Point of Contact to which services or other customer complaints should be directed:**

Applicant maintains a Network Operations Center (NOC) which is available to customers 24/7 via a toll free number (800) 917-7030. Applicant will rely on both the technical expertise of its own employees along with the resources of its underlying certificated carriers. Applicant's contact person responsible for Louisiana operations is:

Jeffrey Hancock, CEO,  
108 Brand Lane  
Stafford, Texas 77477  
Phone: (800) 403-8040

- 10. A list of other states where the applicant has applied to operate as a telecommunications service provider and/or to offer telecommunications services, a list of other states where the applicant is authorized to operate, and a list of those states which have denied any requested authority.**

Applicant is applying for authority to operate as a telecommunications services provider in the states of Iowa and Illinois. Applicant has not been denied any requested authority.

- 11. Illustrative tariffs in compliance with the requirements set forth in Section 401 below.**

Please find attached as **Attachment F**.

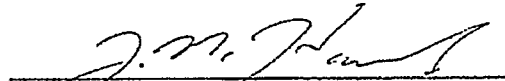

VERIFICATION

Jeffrey Hancock, CEO of Hyperlink Infrastructure, LLC, and first being sworn on oath, deposes and says:

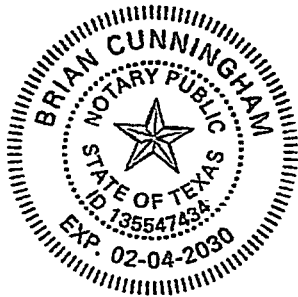

1. I have read the Application filed by the Company with the Louisiana Public Service Commission ("Commission") and verify that the statements made therein are true and correct to the best of my knowledge, information and belief.

2. I hereby verify that the corporation will comply with and abide by the Commission guidelines and requirements presently in effect or otherwise adopted in the future.

3. I hereby verify that the company has not previously operated in the State of Louisiana and has not previously received authority from the Commission to provide the services for which authority is sought in the Application.
