DOCKET NO. R-28271 SUBDOCKET B

LOUISIANA PUBLIC SERVICE COMMISSION,  
EX PARTE

---

*In re: Rulemaking to study the possible development of financial incentives for the promotion of energy efficiency by jurisdictional electric and natural gas utilities*

---

**REQUEST TO UTILITIES FOR SPECIFIC COMMENTS REGARDING  
EXPENDITURES TO DATE**

At the Commission's August 6, 2014 Business and Executive Session ("B&E"), Louisiana Public Service Commission ("LPSC" or "Commission") Staff was directed to provide a report at the September B&E on the amount of ratepayer funds spent implementing the Commission's renewable energy pilot program in Docket No. R-28271 Subdocket B. To that end, please provide specific comments on the following requests no later than September 2, 2014:

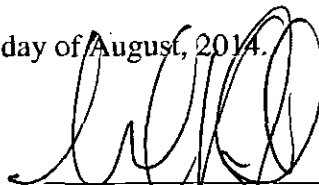

1. If you are an LPSC-regulated electric utility, please provide the total amount of money spent in complying with Commission Docket No. R-28271 Subdocket B.
  - a. For the purposes of this question, please include only those expenses for which you have sought recovery from ratepayers.
  - b. For each expense identified in 1.a. above, please provide the nature of the expense, and the relevant background of each project as well as the amount of capacity, generation, and cost data associated with the project, along with any other details that would assist the Staff in responding to the Commission's directive.
  - c. Please specify how you recovered these costs from ratepayers and provide any supporting documentation.
2. To the extent that costs related to Docket No. R-28271 Subdocket B have been incurred for which cost recovery has not yet been sought by the utility, please provide specific information regarding those costs.

*Request for Comments*

*Docket No. R-28271 Subdocket B*

3. Please indicate whether there are any additional costs that will be incurred prior to the September B&E. With regard to any such costs, please indicate when you intend to seek cost recovery for those expenses.
4. Please provide any additional information that would assist Commission Staff in responding to the Commission's directive, including whether or not Staff has correctly interpreted the directive and requested the appropriate information. If you believe additional information is needed, please so state. To the extent you can provide additional information not specifically requested herein but relevant to the Commission directive, please include it in your responsive comments.
