RE: PERMIT ISSUED  
Form No. 71529 for a Waste Hauler Permit Application  
WHP No. WH-00008891

Dear Operator:

Technical Permitting has reviewed the above-referenced application, submitted in hard copy and entered by RRC Staff on 2/21/2024. The Application is complete, and the permit is hereby administratively granted. An updated list of approved vehicles is in the attached permit.

For questions or additional information, contact Environmental Permits and Support by phone at 512-463-7371 or by email at [whp@rrc.texas.gov](mailto:whp@rrc.texas.gov).

Sincerely,

Christine Peters, Manager  
Environmental Permits and Support  
Technical Permitting

Authority is granted by the Railroad Commission of Texas (Commission) to haul, handle, and dispose of oil and gas waste in accordance with 16 Texas Administrative Code (TAC), Part 1, Chapter §3.8 (Statewide Rule 8) and is subject to the following conditions:

- A. The authority granted by this permit is effective 2/21/2024 and will expire on 01/31/2025, unless suspended or revoked for cause shown.
- B. This permit authority is limited to the hauling, handling, and disposal of oil and gas waste off a lease, unit, or other oil and gas property.
- C. This permit authorizes the permitted hauler to dispose of the oil and gas waste only at the following disposal/injection systems:
  - 1. Commission-permitted disposal/injection systems.
  - 2. Disposal systems operated under authority of a minor permit issued by the Commission.
  - 3. Disposal systems permitted by another state agency, or another state provided the Commission has granted separate authorization for the disposal.
- D. Each vehicle must be marked on both sides and in the rear with the permitted hauler's name (exactly as shown on the P-5 Organization Report) and permit number in characters not less than three inches high.
- E. This permit authorizes the permitted hauler to use only those vehicles shown on the Commission-issued listing of approved vehicles which are listed on Permit Attachment A (Waste Hauler Vehicle Identification).
- F. Each vehicle must carry a copy of this permit along with a copy of those parts of Permit Attachment A (Waste Hauler Vehicle Identification) that are relevant to that vehicle's activities.
- G. Each vehicle must be operated and maintained in such a manner as to prevent spillage, leakage, or other escape of oil and gas waste during transportation.
- H. The permitted hauler must make each vehicle available for inspection upon request by Commission personnel.

I. The permitted hauler must compile and keep a current list of all persons by whom the permitted hauler is hired to haul and dispose of oil and gas waste and furnish such list to the Commission upon request.

J. The permitted hauler must adequately train all drivers to ensure compliance with Commission rules, including record keeping requirements, and adherence to proper emergency response and notification procedures.

K. The permitted hauler must keep a daily record of the oil and gas waste hauling operations of each approved vehicle. The daily record, signed and dated by the vehicle driver, must be kept open for Commission inspection and must be kept on file for a period of three years from the date of operation and recordation . The record must contain the following information:

1. The permitted hauler must keep a daily record of the oil and gas waste hauling operations of each approved vehicle. The daily record, signed and dated by the vehicle driver, must be kept open for Commission inspection and must be kept on file for a period of three years from the date of operation and recordation . The record must contain the following information:

a. Operator name

b. Lease name or facility name

c. Lease number and well number(s), or API well number(s), or permit number, or latitude and longitude coordinates in decimal degrees if waste was not generated on a lease

d. County

2. Type and volume (specify units) of oil and gas waste received by the hauler at the property where it was generated

3. Identity of the disposal system to which the oil and gas waste is delivered, including:

a. Operator name

b. Lease name or facility name

c. Lease number and well number(s), or API well number(s), or permit number, or latitude and longitude coordinates in decimal degrees if waste was not generated on a lease

d. County

4. Type and volume (specify units) of oil and gas waste transported and delivered to the disposal system

L. The permitted hauler must file an application to renew this permit, using the assigned permit number, before the expiration date specified in this permit.

M. This permit is not transferable.

This authorization is granted subject to review and cancellation should investigation show that such authorization is being abused.

APPROVED AND ISSUED ON 2/21/2024
