To Whom It May Concern,

This letter is to offer the operating structure information required for G. Edwards Services, LLC, to complete the WASTE BY MOTOR VEHICLE application process. The business is owned and operated by Gregg and Jennifer Edwards. I, Gregg, have been a licensed CDL driver for over 30 years. I have been self-employed for over 25 years, changing my business from a DBA to an LLC in September 2020. I am/will be solely responsible for dispatching, scheduling and transporting all freight. Jennifer is responsible for all permitting, bookkeeping and all "general" paperwork required. Together we've worked for over 25 years to manage a thriving trucking business. Also we employ a private CPA, Donald Simmons, to prepare all quarterly and yearly tax information. We have worked with Mr. Simmons for over 15 years. We've maintained a close relationship with our local banker, John McIlwain, at Homeland Federal Savings Bank at the Jena branch. We are a small, yet efficient business. Please do not hesitate to contact me with any further questions regarding the application process.

Thank You,

Gregg Edwards, Owner
