DOCKET NO. U-35385

In re: Application for Authorization to Implement an Experimental Interruptible Option, Rider
EIO, and Related Relief

**OCCIDENTAL CHEMICAL CORPORATION'S
PETITION OF INTERVENTION**

Occidental Chemical Corporation ("OxyChem"), through undersigned counsel, respectfully petitions to intervene as a party in this proceeding pursuant to Rules 9 through 12 of the Rules of Practice and Procedure of the Louisiana Public Service Commission ("LPSC" or "Commission"), and in support thereof states:

1.

OxyChem is a New York corporation owning Louisiana industrial concerns and operations and is a large consumer of electric power in Louisiana. Therefore, OxyChem has an interest in this proceeding.

2.

Copies of all correspondence and filings with the Commission should be directed to:

Luke F. Piontek

3.

The proceeding was included in the Commission's Official Bulletin #1203, dated October 4, 2019. *See* LPSC Official Bulletin #1203, at p. 5. The notice of publication does not state a deadline to intervene; therefore, the filing of this Petition of Intervention is timely.

4.

The outcome of this proceeding regarding Entergy Louisiana, LLC's Application for Authorization to Implement an Experimental Interruptible Option, Rider EIO, and related relief will directly affect OxyChem's business interests in the state of Louisiana. Therefore, OxyChem possesses standing to intervene and requests formal intervenor status in this proceeding.

5.

OxyChem asserts that no other intervenor or party will adequately protect its interests in this docket.

WHEREFORE, Occidental Chemical Corporation prays that it be granted full intervenor status herein and that it be given notice of any and all proceedings and deadlines in this matter, and for all other relief available to it under the facts and the law.

Respectfully submitted:
