Dear Ms. Abel,

I, Brent Bailey, Vice President of EPL Advisors, on behalf of the Conservative Energy Network (CEN), request to be added to the Service List for Docket No. I-37811 as an **Interested Party**. I am filing on behalf of CEN because of the organization's interest in long-term utility infrastructure planning, utility investment, and the reliability of the electric power grid in Louisiana. I have included my contact information below. Thank you for your assistance.
