SECTION 7

(If additional space is needed, attach a separate sheet for each responses as needed)

1. Please provide details for the history of compliance with regulatory authorities in the state or any other jurisdiction.

To the best of its knowledge, G & G Services Unlimited, LLC (G&G) is in compliance with all applicable regulatory authorities in the state of Louisiana.

2. Please provide details whether the change of control is fair and reasonable to the employees of the applicant.

The proposed ownership change is fair and resonable to the employees. As far as employees are concerned, they will be no changes.

3. Please provide details of the impact which the change in control will have on the management and operations of the applicant.

The proposed ownership change will have no impact on the management and operations of the company, as Tyler Russell already runs the day to day operations of the company.

4. Has the common carrier certificate or contract carrier permit been dormant? ☒ NO ☐ YES*

**The Commission will not approve the sale, lease, transfer or change in control of a dormant certificate or permit. A dormant certificate/permit is a certificate/permit that has not been substantially operated for the six months prior to the sale, lease, transfer or change in control, other than due to bankruptcy, receivership, or other legal proceedings, or to other causes beyond the carrier's control. Whether a carrier substantially operated a certificate is determined on a case-by-case basis by the administrative law judge, hearing officer, or Commission.*

OIL AND GAS WASTE HAULER'S PERMIT
(To be completed by the Commission)

Permit No. 6514 is hereby issued to G&G SERVICES UNLIMITED LLC
subject to the conditions below.

PERMIT CONDITIONS

- A. This permit authority is limited to the hauling, handling and disposal of oil and gas waste off a lease, unit, or other oil and gas property.
- B. This permit authorizes the permitted hauler to dispose of oil and gas waste only at the following disposal/injection systems:
- Commission-permitted disposal/injection systems for which a Form WH-3 has been submitted and which are listed on Permit Attachment B (Approved Disposal/Injection Systems).
 - disposal systems operated under authority of a minor permit issued by the Commission and
 - disposal systems permitted by another state agency or another state provided the Commission has granted separate authorization for the disposal.
- C. Each vehicle must be marked on both sides and in the rear with the permitted hauler's name (exactly as shown on the P-5 Organization Report) and permit number in characters not less than three inches high.
- D. This permit authorizes the permitted hauler to use only those vehicles shown on the Commission-issued listing of approved vehicles, Permit Attachment A (Waste Hauler Vehicle Identification).
- E. Each vehicle must carry a copy of this permit along with a copy of those parts of Permit Attachment A (Waste Hauler Vehicle Identification) and Permit Attachment B (Approved Disposal/Injection Systems) that are relevant to that vehicle's activities.
- F. Each vehicle must be operated and maintained in such a manner as to prevent spillage, leakage, or other escape of oil and gas waste during transportation.
- G. The permitted hauler must make each vehicle available for inspection upon request by Commission personnel.
- H. The permitted hauler must compile and keep current a list of all persons by whom the permitted hauler is hired to haul and dispose of oil and gas waste and furnish such list to the Commission upon request.
- I. The permitted hauler must adequately train all drivers to ensure compliance with Commission rules, including record keeping requirements, and adherence to proper emergency response and notification procedures.
- J. The permitted hauler must keep a DAILY record of the oil and gas waste hauling operations of each approved vehicle. The daily record, signed and dated by the vehicle driver, must be kept open for Commission inspection and must contain the following information:
1. Identity of the property from which the oil and gas waste is hauled (operator name, lease name and number or other facility name or number, and county; and
 2. Type and volume of oil and gas waste received by the hauler at the property where it was generated;
 3. Identity of the disposal system to which the oil and gas waste is delivered (operator name, lease name and number or system name, well number or system permit number, and county); and
 4. Type and volume of oil and gas waste transported and delivered to the disposal system.
- K. This permit is not transferable without the consent of the Commission.
- L. This permit expires on September 30, 2024. This permit, unless suspended or revoked for cause shown, will remain valid until the expiration date.
