Re: Docket No. U-37565 – Deepwoods Utilities, Inc., ex parte.
In re: Application for an Increase in Water and Wastewater Rates

To Whom It May Concern

On behalf of Deepwoods Utilities, Inc., I write to formally acknowledge and accept the Staff Report and Recommendation issued in the above-referenced docket. We appreciate the thorough review conducted by the Louisiana Public Service Commission Staff, including the financial analysis and compliance review presented in the testimony of Ms. Chassitty J. Williams and the Staff Report prepared by Staff Attorney Paul Rachal.

Deepwoods Utilities, Inc. agrees to the recommended rates and conditions as outlined in Staff's Report, including:

1. Providing written notice to all customers at least fifteen (15) days prior to implementing the approved rates;
2. Submitting an updated and revised tariff consistent with the Commission's order within fifteen (15) days of issuance, subject to Staff's review and approval; and
3. Operating subject to the continuing jurisdiction and authority of the Commission.

We believe that the recommended rates will allow Deepwoods Utilities to continue providing safe and reliable water and wastewater services to our customers while ensuring sufficient revenues to maintain infrastructure and operational stability.

Please include this correspondence in the official record of Docket No. U-37565.

Respectfully submitted,

A handwritten signature in black ink that reads "Patrick Henagan".
