

ATTACHMENT F

PROPOSED OFFERED SERVICES

Parish Broadband, LLC currently offers internet service to both residential and business customers primarily via fixed wireless and fiber (on a smaller scale) to several areas in the Greater New Orleans area including New Orleans Proper, Metairie, Kenner, Chalmette/Arabi, St. Rose, Lake Catherine and the Rigolets areas in Slidell, Boothville/Buras/Venice/Pilot Town area, Port Sulphur, Algiers, Terrytown, Gretna, Marrero, and Harvey.

Parish Broadband is currently working to further expand into the fiber (FTTx) market and plans to continue expanding offerings in the areas around New Orleans and South Louisiana. Actual service ability in the above areas does vary depending on geographic obstacles and actual smaller census areas where Parish Broadband has "presence."
